

## **How to use foreign vehicles in Türkiye?**

- Foreign-plated vehicles may be used by the person, in the name of whom the vehicle is registered upon its entry into Turkey, as well as the spouse, parents and children of such person.
- No one is allowed using the foreign-plated vehicle other than those mentioned above even if the person, in the name of whom the vehicle is registered, is present in the vehicle. (Except emergency cases)
- If the parents, the spouse or children of the person to whom the foreign-plated vehicle is registered do not meet the requirement of being resident abroad, they are not allowed using the vehicle.
